EIGHTEEN ARE DEAD

Victims of the Fire in Park Avenue Hotel, New York.

SOME UNIDENTIFIED.

Guests Were Panic Stricken and in the Excitement Jumped from the Upper Stories—Many Were Saved by the Firemen.

New York, Feb. 22.—Eighteen lives were lost in a fire which attacked the Park Avenue Hotel early this morning. Fifty or more persons injured.

Dead:
Colonel Alexander P. Piper, U. S. A. (retired).

Colonel Charles L. Burdette, of Connecticut, First United States volunteer Infantry.

W. A. Horn of Denver, Colo.
A man named Ivison of Denver, Colo.

Wm. Walker of Tennessee.
W. C. Mardhardt of Chicago.

Morman Arson of Alabama.
Mrs. Charlotte Bennett of Alabama.

Mrs. E. W. McGinnis, guest at the hotel.

Gaston A. Robbins, guest at hotel.

Charles V. O'Connor.

Fred S. Hoby.

Miss Esther Schlesinger of Chicago.

Mrs. McManus.

Four unidentified.

The fire started and consumed armory of the Seventy-First regiment New York National Guard, a fine granite structure, which with equipment cost \$650,000. The flames then communicated with the Park Avenue hotel, where a financial loss of \$100,000 was inflicted.

Shortly before 1 o'clock fire was discovered bursting from the roof of the armory. The flames had gained tremendous headway and by the time the firemen arrived on the scene it was impossible to do anything toward saving the magnificent building. Several times the flames were communicated to the car barns of the Metropolitan Street Railway Co., but soon extinguished. Heat of burning armory became more and more intense and shortly after 2 o'clock flames were discovered running along the windows and woodwork of the fifth floor of Park Avenue Hotel, diagonally across the street from the armory. This was entirely unexpected and police up to that time had bent efforts toward removing inmates in adjacent houses on cross streets.

Frightened occupants of the hotel soon appeared at every window and many rescues were made by means of ladders set up by the firemen. In some unexplained manner the fire got into the basement of the elevator shaft and sped on its way upward to the roof. Most of the damage to the hotel was done in rooms surrounding elevator shaft.

In the headquarters of the Fifth brigade in 34th street and Park avenue in the quarters of the armory, a large quantity of ammunition, both blank and bullet cartridges were stored. These cartridges soon began exploding and added to intense excitement. Shortly after these explosions had ceased a wall of Thirty-Third street side fell inward. This crash was followed by explosion of about 1000 pounds of powder stored in the basement of the armory. The detonation was terrific, but firemen had been warned of the danger and none of them were injured.

Hospital records show 26 persons were taken to New York and Bellevue institutions. Nearly double that number, injured in their panic-stricken endeavors to escape, were given medical aid on the spot.

Of the scores taken from the windows of the third, fourth and fifth floors many were slightly burned and hysterical from shocks. Of dead three were women. Death in each instance was caused by burns or suffocation with one exception. On man jumped from the fifth story window to the inner court. His skull was crushed and death was instantaneous.

Men and women appeared at the windows of the Park Avenue side of the hotel and called for help. Mrs. Charlotte Bennett and her husband, Harold, of Alabama stood on the ledge of the fifth floor just over the portico over the main entrance to the hotel. Bennett was terror-stricken and screamed again and again for some one to rescue them. The husband grasped his wife and from the crowd of thousands gathered in the street, they were shouted warnings not to jump. When it was seen that Mrs. Bennett was determined to jump, firemen gathered in a circle and stretched out their arms. With final desperate effort, Mrs. Bennett wrenched herself free from her husband's grasp and with a piercing shriek flung herself into the arms of the waiting firemen five stories below. When she jumped from the ledge on which she and her husband had stood flames were licking out of the window behind her and around her form. Inside of the room all was

in flames. Mrs. Bennett struck in the arms of the firemen, her weight caused them to sag and the woman struck the pavement. She was terribly burned about the body. She was carried into the hotel by firemen and later taken to Bellevue hospital where she died. Her husband, when Mrs. Bennett jumped, fell back into the room. He was not seen afterward and believed he burned or was suffocated.

Colonel Charles Burdette of Connecticut, met death in a terrible manner. His body with skull split open was found lying in the court yard within the hotel where he had fallen at least six stories. Colonel Burdette had a room on the eighth floor of the hotel. When the alarm reached him, escape was cut off. His room faced the court in the center of the hotel. Apparently he had dragged a mattress from the bed and dropped it to the roof of the extension over the hotel dining room several stories below. Then, knotting sheets together he made a rope and secured it to the window. When his preparations were completed he lowered himself on the improvised rope and then dropped. His design was to land on the mattress and thus have his frightful fall broken. He miscalculated the distance, went beyond the extension and was killed.

Father Smith, fire chaplain, found Bishop Ludden of Syracuse in a room on the seventh floor of the hotel and helped him to the street. Bishop Ludden told the firemen then there were a number of priests in the hotel, including Monsignor Kenney, also of Syracuse. Father Smith returned into the building, fought his way through smoke and upstairs and conducted the priests down the stairway to safety.

Gaston A. Robbins, who was killed, was a lawyer of Selma, Ala. He was formerly congressman from that state.

Columbia, Tenn., Feb. 22.—John E. (not William) Walker, who lost his life in the Park Avenue hotel fire, was from this town, and was in New York buying goods for the Maury Dry Goods company.

THE FIRST FIGHT.

Senators Tillman and McLauren Come Together in the Senate.

Washington, Feb. 22.—In the senate this afternoon a fist fight occurred between Senators McLauren and Tillman of South Carolina. McLauren arose and said that Tillman's statement regarding him was a "willful, deliberate and malicious lie." Tillman jumped over chairs and struck McLauren in the face. A vicious encounter ensued. Both men clinched and struck frantically at each other, when the assistant sergeant-at-arms sprang between them and several senators assisted him in parting them. It was with great difficulty the men were parted.

PROSPEROUS SOUTH.

Contributors to Manufacturers' Record Enumerate its Resources.

Baltimore, Feb. 22.—A striking feature of this week's issue of the Manufacturers' Record, its twentieth anniversary number, is the unanimity of the views expressed in it by authorities in diverse fields as to the wonderful future of the south. These contributors include officials of the scientific departments of the United States government, men who have made prolonged study of southern conditions and others who have long been prophets of southern development, and have participated therein by actual investment, or through publicity in the undertakings which have made the south of today. Their views must have a world-wide influence in strengthening the upward movement of the south's material interests.

PENSION FOR EMPLOYEES.

Delaware, Lackawanna and Western to Reward Old Employees.

New York, Feb. 22.—Announcement has been made by the management of the Delaware, Lackawanna and Western railroad that a pension system will be placed in effect March 1 for the benefit of employees. Under the plan arranged by President Truesdale any employee engaged for 25 years in any capacity in the operation of the railroad proper, who has performed his duty faithfully, is to be retired at the age of 65 and receive monthly allowance proportionate to the pay which he was drawing and the length of his service. The pensions will be appropriated out of the earnings of the road.

Bill Taxing Mines.

Denver, Feb. 22.—The legislature has passed a bill to third reading providing for taxing mines at their actual valuation. The Mine Owners' association formally declared that the passage of such a measure would cause all their mines to shut down, throwing out of employment 20,000 men. The legislators say the bill will go through, as they can not find any reason for exempting the mines, when the farms are taxed at full cash valuation. Heretofore the mines have been paying on a basis of net earnings each year, the real value of the property not being considered.

Garrett Scott Arrested.

San Antonio, Texas, Feb. 21.—
Ex-Sheriff G. L. Scott of Grimes
county was arrested here tonight on
capias from Grimes county
charging him with murder and
complicity in murder. He asked
the officers not to hurry him back
to Grimes, as the last time he was
there an attempt had been made to

The exercises opened with an invoca-
tion by Dr. J. D. West, after
which the choir sang "America." The
further exercises included several
excellent musical numbers and
an address from Prof. T. S. Minter,
superintendent of the city schools,
on "How May the Club Women of

an able one and made numerous

giving England's assent to the con-
struction of canals across Central
America by the United States were ex-
changed at the state department Fri-
day. There was very little ceremony
about the exchange of ratifications.

Copies of the treaty had been pre-
pared, precisely similar, except in the
fact that the signatures were inverted
in one copy, and these were formally
exchanged between Lord Pauncefote
and Secretary Hay, a protocol being

SERIOUS FIRE.

Four Dead Bodies Rescued and Property
Worth \$1,000,000 Destroyed.

New York, Feb. 22.—Fire broke out
just after midnight last night, destroy-
ing the Seventy-first regiment armory.
The car barns of the Metropolitan
Street railway and the Park Avenue
hotel were damaged. The Park Avenue
hotel caught on the third floor.

A woman guest jumped from the fifth
story and was fatally injured.

Six people were taken out of the
hotel by the firemen. It is feared that
others were unable to be reached.

The estimated loss up to this time is
\$1,000,000.

Four dead bodies have been taken
from the hotel. One of the dead is
said to be Col. Pepper of Louisville.
The other bodies have not yet been
identified.

RAIDED BY INDIANS.

Hardware Store Is Robbed by Some of
Crazy Snake's Followers.

Muskogee, I. T., Feb. 22.—A band of
Crazy Snake's followers Friday made
a raid on Keokuk Falls, O. T., just
across the line from the Creek nation,
rushed into a hardware store, seized
a lot of arms and ammunition and
fled. A posse immediately started in
pursuit, and it is said captured several
of the band after a two hours' running
fight. Two of the captured men have
been brought to Keokuk Falls. They
stated that they were going to get
arms and then go 20 miles west of
Eufaula to the old Hickory grounds,
the council meeting place of the Snake
band. The latest from Wewoka is that
the Snakes have dispersed, going in
every direction.

Took His Neighbor's Wife.

Harrisburg, Ill., Feb. 22.—At Kedron,
a country village nine miles south of
this city, the discovery has been made
of an elopement of a prominent citizen
and a man of family with the wife of
another man. Several days ago the
woman left home with two of her
younger children under the pretense of
visiting a neighbor, leaving the two
elder children at home. At the same
time a neighbor left home, leaving a
wife and three small children; and
then it was discovered that the pair
had eloped. It is believed that they

are headed for Kentucky. The two
families had been close neighbors, but
no suspicion was ever entertained that
there was anything in common with
the pair. Efforts are being made to
capture them and bring them to jus-
tice.

Mortgage Binding in All States.

St. Louis, Feb. 20.—By a ruling of
the United States court of appeals, it
is held that a mortgage issued in one
state is binding in any other state or
territory, and does not have to be re-
filed. The decision reversed the rul-
ing of the United States court of ap-
peals for the Indian Territory.

Woman Lawyer Coming.

Paris, Feb. 22.—Mlle. Chauvin, the
first woman lawyer in France, who re-
cently won her first case against a
veteran of the Paris bar, promises to
visit England and the United States
during the coming spring and summer
for the purpose of lecturing to women's
professional clubs. It is possible that
Col. Pond will manage Mlle. Chauvin's
tour in the United States, but the lec-
turer has already booked a score of en-

Letter to The Eagle.

Navasota, February 21.—Bryan
Weekly Eagle, Bryan, Texas:—
Please come to me another year. I
hold forth at the old stand, Nava-
sota, Grimes county, Texas. En-
closed I send one dollar for your
trouble. You are a good old friend
who tells me all of the Brazos
county news. Success to you.
Yours respectfully,

John Wagner.

The Eagle appreciates such
words, and, Mr. Wagner, will look
you up each week for another year.

Garrett Scott Arrested.

San Antonio, Texas, Feb. 21.—
Ex-Sheriff G. L. Scott of Grimes
county was arrested here tonight on
capiases from Grimes county
charging him with murder and
complicity in murder. He asked
the officers not to hurry him back
to Grimes, as the last time he was
there an attempt had been made to
lynch him. The alleged crime was
committed a year ago.

The club women of Bryan united
in a proper observance of Washing-
ton's birthday yesterday in an enter-
tainment given to the pupils and
teachers of the public school at the
opera house yesterday afternoon.
The exercises opened with an invoca-
tion by Dr. J. D. West, after
which the choir sang "America." The
further exercises included several
excellent musical numbers and an
address from Prof. T. S. Minter,
superintendent of the city schools,
on "How May the Club Women of
Bryan Best Serve the Interests of
the Public Schools." The paper was
an able one and made numerous
timely and interesting suggestions.

THE TREATY RATIFIED.

England Gives Official Consent to Con-
struction of Isthmian Canal.

Washington, Feb. 22.—Final ratifi-
cations of the Hay-Pauncefote treaty,
giving England's assent to the con-
struction of canals across Central
America by the United States were ex-
changed at the state department Fri-
day. There was very little ceremony
about the exchange of ratifications.

Copies of the treaty had been pre-
pared, precisely similar, except in the
fact that the signatures were inverted
in one copy, and these were formally
exchanged between Lord Pauncefote
and Secretary Hay, a protocol being

signed, formally attesting to that fact,
which will form part of the records.

It has been suggested that with the
completion of this great work the
British government might regard Lord
Pauncefote's services as ended, but it
is learned that this is not the case.

Lord Lansdowne, the secretary of
foreign affairs, has signified to Lord

SERIOUS FIRE.

Four Dead Bodies Rescued and Property
Worth \$1,000,000 Destroyed.

New York, Feb. 22.—Fire broke out
just after midnight last night, destroy-
ing the Seventy-first regiment armory.
The car barns of the Metropolitan
Street railway and the Park Avenue
hotel were damaged. The Park Avenue
hotel caught on the third floor.

A woman guest jumped from the fifth
story and was fatally injured.

Six people were taken out of the
hotel by the firemen. It is feared that
others were unable to be reached.

The estimated loss up to this time is
\$1,000,000.

Four dead bodies have been taken
from the hotel. One of the dead is
said to be Col. Pepper of Louisville.
The other bodies have not yet been
identified.

RAIDED BY INDIANS.

Hardware Store Is Robbed by Some of
Crazy Snake's Followers.

Muskogee, I. T., Feb. 22.—A band of
Crazy Snake's followers Friday made
a raid on Keokuk Falls, O. T., just
across the line from the Creek nation,
rushed into a hardware store, seized
a lot of arms and ammunition and
fled. A posse immediately started in
pursuit, and it is said captured several
of the band after a two hours' running
fight. Two of the captured men have
been brought to Keokuk Falls. They
stated that they were going to get
arms and then go 20 miles west of
Eufaula to the old Hickory grounds,
the council meeting place of the Snake
band. The latest from Wewoka is that
the Snakes have dispersed, going in
every direction.

Took His Neighbor's Wife.

Harrisburg, Ill., Feb. 22.—At Kedron,
a country village nine miles south of
this city, the discovery has been made
of an elopement of a prominent citizen
and a man of family with the wife of
another man. Several days ago the
woman left home with two of her
younger children under the pretense of
visiting a neighbor, leaving the two
elder children at home. At the same
time a neighbor left home, leaving a
wife and three small children, and
then it was discovered that the pair
had eloped. It is believed that they

ENTHUSIASM FOR CANNERY.

The Farmers Came in Yesterday With Liberal Subscriptions.

If the business men of Bryan do not come to the scratch with a cannery, there will be a lot of disappointment among the farmers of this section. The committee of the truck growers' association came in yesterday and reported \$850.00 stock subscribed by farmers. Numbers of farmers who talked with the Eagle reporter said they were extremely hopeful that the plant would be put in, and if so they would plant accordingly. One farmer said he would not plant a stalk of cotton if the cannery was put in, because the weeds around his place are full of boll weevils, and he fears the cotton crop will be extremely short where planted.

Prof. Price of the A. & M. College says if the business men of Bryan take double the stock already subscribed by the farmers, it will build and capitalize a cannery of sufficient size for Bryan. He speaks from his experience in building and equipping the College cannery.

The action of the farmers insures plenty of stuff to can, which is the usual cause of failure of canneries, where they do fail to pay. Having gotten rid of this main objection, it is earnestly hoped the movement will go forward to success.

FIGHT WITH OUTLAWS NOT YET DELIVERED

One of the Bandits Killed and an
Officer Seriously Wounded.

TWO SURRENDERED.

Walter Swafford Is the Dead Despera-
do and Sam Casey and Bill Wat-
son Those Surrendered—Big
Reward for the Capture.

Guthrie, O. T. Feb. 22.—A fight oc-
curred between Oklahoma officers and
the band of outlaws Friday that killed
Sheriffs Smith and Beck at Anadarko
a month ago. As a result one of the
outlaws, Walter Swafford, is dead and
Deputy Sheriff W. A. Jones of Asher,
O. T., is seriously wounded.

The snow enabled a posse under
Sheriff Milner of Shawnee, O. T., to
trail the outlaws to an isolated house
south of Wewoka, I. T. As the posse
approached the outlaws, three in num-
ber, came from the house and opened
fire. The fire was returned, and for
several minutes the battle waged.
Deputy Sheriff Jones was shot by
Swafford, who had opened the fight.
When Jones fell the officers turned
their attention to Swafford, and he was
pierced by several bullets and killed
instantly. After the battle had con-
tinued several minutes longer the other
two outlaws, Sam Casey and Bill Wat-
son, surrendered. Watson is said to be
a fugitive from Kentucky on a murder
charge. Offers of \$9000 of rewards for
the capture of the three men were out-
standing.

Servant Shoots a Child.

New York, Feb. 22.—A peculiar trag-
edy occurred in the residence of W. J.
Simons, at Caryl, a suburb of Yon-
kers. It resulted in the serious wound-
ing of Georgeanna, the five-year-old
Simons girl, and the probable fatal
wounding, at her own hands of Amelia
Fischer, a Hungarian servant.

The cause of the shooting, which was
done by the servant, is supposed to
have been an insane fondness for the
child, whom she feared being separa-
ted from her through dismissal.

An American Murdered.

San Francisco, Feb. 22.—News has
been received of the murder of Ru-
dolph Hanson, an American citizen, at
Port Lot, on the island of Ponapi in
the Caroline group. He went ashore
late at night from the schooner Spreck-
els, which was to sail the next day.
Soon after going ashore he was found
dying, having evidently been struck
on the head with some kind of blunt
instrument after an argument with na-
tives.

Severe Weather in New York.

New York, Feb. 22.—After 24 hours
of snow, sleet and rain, and a night of
high winds, New York is realizing the
worst weather conditions it has faced
this winter. Telegraph and telephone
wires are down in all directions, train
service in and out of the city delayed
and irregular, suburban trolley service
throughout the adjacent portion of
New Jersey and Long Island are prac-
tically at a standstill.

Boers Surprised and Captured.

London, Feb. 22.—Dispatch from
Kitchener dated February 21st says
Colonel Park with 300 mounted nation-
al scouts, recently surprised a Boer
force at Nootgedacht, Transvaal col-
ony, and captured 160 prisoners togeth-
er with a quantity of munitions of war
and a number of horses and wagons.
There were no British casualties. Pris-
oners include Field Coronets Joubert
and DeJates and Lieutenant Viljoen.

Three Days to Give up Arms.

Barcelona, Feb. 22.—The captain
general has allowed rioters three days
in which to deliver up all arms. At
the expiration of that time any person
found in possession of arms will be
tried by a drumhead courtmartial. Or-
ders have been issued to all saloons to
close at 7 o'clock in the evening, and
citizens are not allowed to be out of
their residences after 5 p. m.

Captain Henry Acquitted.

Springfield, Ill., Feb. 22.—The jury
in the case of Captain J. V. Henry,
former secretary-treasurer of the United
States Railway Mail Clerks' Mutual
Benefit association, has brought in a
verdict. The defendant is found not
guilty of the charge of embezzling \$3500
of the funds of the association.

Cattlemen's Associations Combine.

Guthrie, O. T., Feb. 22.—The exec-
utive committee of the Cattlemen's As-
sociation of Oklahoma and the Pan-
handle of Texas will meet here in
March to merge under the name of the
Southwestern Cattle Growers' asso-
ciation, which will then be the largest
organization of cattle interests in the
world.

Tidal Wave Destroys Vessels.

New York, Feb. 22.—It is reported
by a San Salvador correspondent, says
a Herald dispatch from Panama, that
the recent tidal waves on the San Sal-
vador coast, caused a loss of more
than 50 vessels and the partial de-
struction of seven villages.

Society Woman Missing.

Buffalo, N. Y., Feb. 22.—Miss Alice
M. Colie, 28 years of age, a prominent
society woman of this city, has disap-
peared from her home. It is said that
a pocket book belonging to Miss Colie
was found on Goat Island, Niagara
Falls.

Jesuit College Attacked.

Saragossa, Spain, Feb. 22.—A num-
ber of rioters attacked the Jesuit col-
lege here Thursday night. The fath-
ers fired on the mob believing their as-
sailants to be thieves.

Time Elapsed for the Safe Return
of Miss Stone.

DELAY UNEXPLAINED

It Is Hoped That Heavy Snows in the
Mountains Is Responsible for the
Brigands Not Having Carried
Out Their Agreement.

Washington, Feb. 22.—It is estimated
at the state department that 15 days
have now elapsed since the money for
Miss Stone's ransom was paid over to
the agents of the brigands. At least
five days have elapsed beyond the time
fixed in the stipulation to place her
in the hands of her friends. There
is no explanation for the delay. It is
hoped that physical conditions, such as
heavy snows and adverse weather,
may account for the failure to secure
her delivery. The officials are loath
to believe that there has been a breach
of faith on the part of the brigands,
but even if this were so, they do not
regard themselves as blameworthy for
having trusted them.

From the first the United States gov-
ernment has been adverse to paying
ransom, but in response to appeals
from every quarter reluctantly author-
ized Mr. Leischman to deal with the
brigands. However, if it turns out
that the brigands have broken faith
and that they either have taken the
ransom money and spirited the cap-
tives away again, or that they have
killed them, then there will be no fur-
ther attempt to deal with the brigands
on the part of the United States gov-
ernment, but its entire power will be
directed upon Turkey and upon Bul-
garia to procure the swift and certain
extermination of the brigands, regard-
less of cost or effort.

Insurance Rates Advanced.

Atlanta, Feb. 22.—The Southeastern
Tariff association has decided that 25
per cent increase in insurance rates be
made on all stocks of merchandise
without exception, and on frame store
buildings; also on all manufacturing
risks and other special hazards which
had not been rated under revised
schedules within a year. This section
goes into effect at once, and was caused
by the extraordinary fire losses which
they have been called upon to bear
during the last three years, and espe-
cially since the beginning of the pres-
ent year.

Goes Through a Trestle.

Terrell, Tex., Feb. 22.—Texas and
Pacific freight train No. 17 broke
through a small bridge near Mineola
Friday, and several cars were wrecked
and the trainmen more or less injured.
Fireman Shab got one rib broken and
other bruises. Brakeman Riley was
injured about the head and one hip.
Conductor Cox was badly bruised. A
number of telegraph poles and wires
were broken down and telegraph com-
munication cut off. Passenger train
No. 5 was delayed by the wreck.

Woman Seriously Wounded.

San Antonio, Feb. 22.—Mrs. L. Hays,
of a well known San Antonio family,
is lying at Santa Rosa hospital shot
through the body, and is not expected
to live. The wound was inflicted by
her own hand, but whether it was an
accident or an attempt at suicide is
not positively known, as the lady has
made no statement. She had been
suffering from neuralgia and had called
a physician, and while he was in the
house she went into the kitchen,
and while there the pistol was fired.

Washington Covered With Sleet.

Washington, Feb. 22.—A severe sleet
storm struck Washington Friday and
the national capital was absolutely
cut off from all telegraphic or tele-
phone communication north of Balti-
more and was compelled to depend on
uncertain wires to Richmond and At-
lanta for reaching the country at large.
Aside from damage to wires, how-
ever, the storm did no injury, the sleet
not being heavy enough to do much
harm to trees.

Germany No Manchurian Interest.

Berlin, Feb. 22.—The note of the
United States and China on the sub-
ject of commercial reports in Manchu-
ria has been communicated to Ger-
many, but no answer has been made.
Germany maintains the attitude she
has previously announced, that Man-
churia is outside the sphere of German
interests, and she sees no reason to
change it.

Ex-Sheriff Under Arrest.

San Antonio, Feb. 22.—Ex-Sheriff G.
L. Scott of Grimes county was arrested
here on capias from Grimes county
charging him with murder and com-
plicity in murder. He asked the of-
ficers not to hurry him back to Grimes,
as the last time he was there an at-
tempt had been made to lynch him.
The alleged crime was committed a
year ago.

Grand Army Encampment Date.

Washington, Feb. 22.—The annual
encampment of the Grand Army of the
Republic, under an agreement reached
here between the G. A. R. executive
committee and a committee of Wash-
ington business men, will be held here
during the week commencing Oct. 6.
The citizens will give \$12,000 for aid
to the needy veterans coming here.

Prominent Virginian Dead.

Norfolk, Va., Feb. 22.—Colonel L. D.
Stark, an eminent lawyer, died here
Friday night at the age of 76 years.
He was a colonel in the Confederate
army at Cape Hatteras, was a promi-
nent journalist just after the war,
and at the time of his death was pres-
ident of the Norfolk Landmark Pub-
lishing company.
